

FISCAL NOTE

HB 2262 - SB 2206

February 27, 2007

SUMMARY OF BILL: Limits the scope of review, regarding state procurement contracts that are appealed to the Chancery Court, to the record made before the Review Committee. Such reviews shall involve only an inquiry into whether the Review Committee exceeded its jurisdiction, followed an unlawful procedure, or acted illegally, fraudulently, or arbitrarily without material evidence to support its action.

ESTIMATED FISCAL IMPACT:

State Expenditures – Net Impact – Not Significant

Assumption:

- Any increase to state expenditures resulting from this change to statute is expected to be offset by a decrease to state expenditures resulting from limited scope of review.
